PHILANTHROPY AT THE COUNCIL ON FOREIGN RELATIONS

The Council on Foreign Relations (CFR) receives charitable gifts from various private sources, including its members, corporations, and foundations. As a premier foreign policy organization in the United States, CFR plays a leading role in contributing to the intellectual conversation needed to address a broad spectrum of current and emerging issues.

ANNUAL FUND

Gifts to the Annual Fund totaled \$12.4 million, providing 12 percent of the organization's operating budget in fiscal year 2026. This critical, unrestricted resource underwrites nearly everything the Council achieves—meetings, fellows' research, outreach, and more. More than 1,200 CFR members contributed, and the Council is honored to acknowledge those members in the list that follows. Members also leveraged their gifts by participating in matching gift programs, and those sponsoring organizations are recognized here as well.

RESTRICTED OPERATING AND ENDOWMENT SUPPORT

The Council on Foreign Relations is grateful to the many benefactors who have supported specific projects and initiatives this year. The David Rockefeller Studies Program, the Future of American Strategy Initiative, the Stephen M. Kellen Term Member Program, and the Meetings Program were just some beneficiaries of these gifts. The Council is pleased to recognize the following contributors of these special gifts.

THE CFR LEGACY SOCIETY

The CFR Legacy Society was established in 2004 to acknowledge those who have made the future vitality of the Council a part of their legacy. All those who confirm in writing that they have included CFR in their estate plans, or as a beneficiary of any other disposition of assets, are recognized as members of the CFR Legacy Society. The Council is grateful to the following individuals who have expressed their intention to provide for the institution's future in this manner.
