

**Mallika Sachdeva**  
**Managing Director**  
**Head of FX Thematics**  
**Fixed Income Research, Deutsche Bank**

Mallika Sachdeva is a managing director and head of FX Thematics at Deutsche Bank Research in London. She studies long-term themes driving FX markets covering topics from geopolitics to commodities, payments and defense. She has a strong interest in economic history and how shifts in global power impact markets. She is also an expert in Japan and leads the bank's outlook on the Japanese yen.

She was previously the head of Asia Macro Strategy in Singapore till 2023, responsible for the bank's views on Asian currencies and sovereign fixed-income. She was consistently ranked amongst the best analysts in Asia in the Institutional Investor Global Fixed Income Research Survey.

Mallika has appeared as a guest expert on Bloomberg TV, CNBC, Deutsche Welle and Channel News Asia. Her research has been featured in The Economist, Financial Times, Wall Street Journal, The Times, The Guardian, Telegraph, South China Morning Post, China Daily, Jakarta Post, and many more.

She has a bachelor's degree in economics (Honors) from the University of Chicago, and a masters in finance (Distinction) from INSEAD.
